## **FEATURING KEYNOTE SPEAKER**

### **ALAN GLASEROFF, MD**

Clinical Professor, Stanford School of Medicine,  
national expert on improving health care delivery

### **Topic: Design for Better Health Care Delivery**

Dr. Alan Glaseroff is Co-Director of Stanford Coordinated Care, a service for patients with complex chronic illness. Dr. Glaseroff, a member of the Innovation Brain Trust for the UniteHERE Health, currently serves as faculty for the Institute of Healthcare Improvement's "Better Care, Lower Cost" collaborative and served as a Clinical Advisor to the PBGH "Intensive Outpatient Care Program" CMMI Innovation Grant that was completed in June 2015. He served on the NCQA Patient-Centered Medical Home Advisory Committee 2009-2010 and the "Let's Get Healthy California" expert task force in 2012. Dr. Glaseroff was named the California Family Physician of the Year for 2009.

Dr. Glaseroff's interests focus on the intersection of the meaning of patient-centered care, patient activation, and the key role of self-management within the context of chronic conditions.
