

Let Hawai'i Health Partners Help Improve the Health of Your Patients and Your Practice

HAWAI'I PACIFIC HEALTH | HAWAI'I HEALTH PARTNERS

CREATING A HEALTHIER HAWAI'I

Hawai'i Health Partners (HHP) is the high-performing provider network in the state – we provide the highest quality care to the most patients. While ranking **third in the state for ambulatory quality**, HHP has done so with **three times as many patients as the top ranked organization and 30,000-60,000 more than any other in the top 10**. As Hawai'i's first Accountable Care Organization, HHP is a group of **over 800 physicians** and other health care providers providing exceptional care to the people of Hawai'i.

HHP allows you to extend and deepen your relationships with more providers across more specialties. Help lead the way in defining **collaborative care** with colleagues from more than **85 different specialties and join us in our efforts to create a healthier Hawai'i**.

ADVANTAGES OF JOINING HAWAI'I HEALTH PARTNERS

■ Complex Care Coordination

The Complex Care Services are designed for patients with two or more major medical conditions. Our goal is to give the best care possible to patients and their families, in a holistic approach, to achieve the best outcomes.

■ Quality Measures Workflow and Support

Our analytics team provides timely and accurate data gathering, analysis and reporting to support the clinical management of our patient population, and HHP care coordinators help maximize physicians' quality scores and deliver an exceptional patient experience.

■ Epic Optimization

As an HHP partner, HealthAdvantage CONNECT will provide seamless integration between registration, scheduling, clinical documentation and billing, as well as access to clinical quality programs, including integrated chronic disease registries and best-practice reminders for preventive care.

■ Practice Redesign

With an increased focus on quality and team-based care, you need the right partner to help you maximize efficiencies and minimize disruptions. HHP will help you improve pre-visit preparation, inbox efficiency and more while helping to find a team-based approach that fits your practice.

Additional services include:

■ CPC+ Support

We'll help position you for success under CMS's Comprehensive Primary Care Plus (CPC+) program, decreasing administrative burden and allowing you to focus on practicing medicine.

■ HCC Assistance and Education

Properly coding severity of illness for your patients will help you provide appropriate care and receive proper reimbursement.

■ Call Center Support

HHP provides appointment scheduling and reminders, outreach for closing gaps and additional answering and messaging services.
