

PPE For All Suspected or Confirmed COVID Patients

- Limit interactions by all non-clinical personnel to minimum necessary.
- Full PPE should be worn by anyone entering the room.
- Non-clinical interactions to be performed over the telephone wherever possible.

Headgear remains on health care worker through multiple patients (i.e., do not replace per patient)

- 2 Fresh gloves and gown.
Break back tie in order to don gown over head gear.
- 3 Proper hand hygiene.
 - Isolation Code Blue and Isolation RRT as needed.
