

**How to Input and View Patient Reported Data in Epic
(FDC - Sweeter Choice & MFM Blood Pressure)**

Inputting Patient Reported Data in Epic

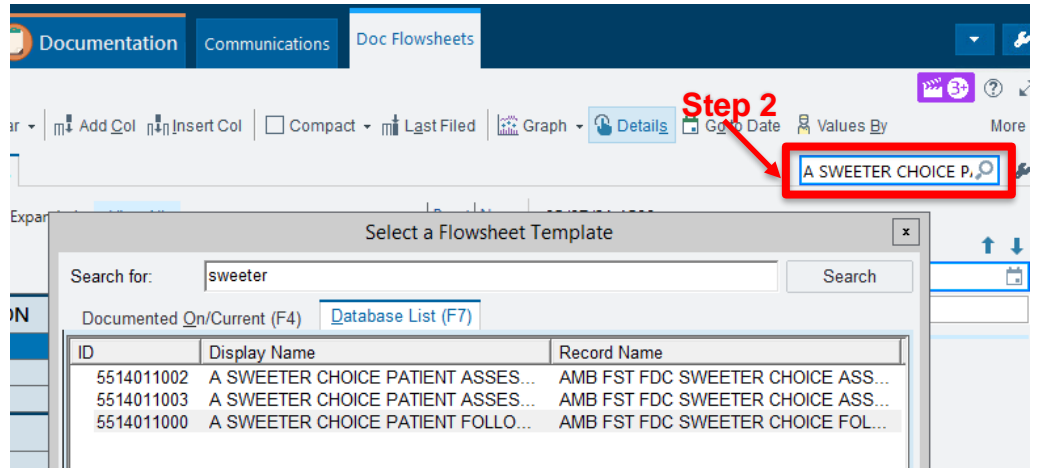

1) To input patient reported data, create an Encounter (ex: Document or Telephone). While in the patient encounter, click on the "Flowsheet" tab

NOTE: If the "Flowsheet" tab is not available, click on the drop down arrow to the left of the wrench (upper right) and scroll down to "Flowsheet". Click on the star to favorite it to your tabs.

2) Search for your flowsheet template in the search bar
