## REMINDER: 2021 QPP/SSP REVIEW PERIOD

It's that time of year again! Please review your 2021 QPP/SSP performance on either the Primary or Specialist Dashboard by June 30, 2022. For questions regarding your performance or how to access the Dashboards, please email [Info@HawaiiHealthPartners.org](mailto:Info@HawaiiHealthPartners.org).

Access Dashboards through EPIC via the Dashboard icon **Or** via the Tools Menu:

Please note: If accessing the dashboard from home or outside of the HPH network, please access Epic through the Citrix portal (<https://portal.hawaiiapacifichealth.org>)

Once on the HHP Dashboard, click on the "2021 performance" button to view your report.

# Meet HHP Vice President Matt Sasaki

*Matt Sasaki  
HHP Vice President*

We are excited to welcome Matt Sasaki as our new HHP Vice President. Having spent his career in health care, Matt has developed a diverse background in care management, population health, operations, and strategy.

Prior to joining HHP, Matt held leadership roles at Hawaii Medical Service Association (HMSA) and ike, Inc. (fka DataHouse Holdings Corp.). During his time at HMSA, Matt served as Assistant Vice President for Government and External Relations, leading HMSA's efforts with county, state and federal stakeholders, as well as overseeing community engagement, corporate giving, and the HMSA Foundation.

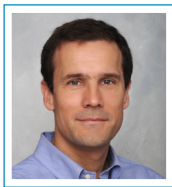

He also held leadership roles at HMSA as Director of Ecosystem Development and Operations and Director of Provider Organization Support Teams. In these positions, he focused on establishing population health programs and initiatives, and supporting independent providers statewide with quality programs and care coordination. He also developed and supported the operation of the company's joint ventures focused on care management and value-based care.

Matt graduated with a bachelor's degree in business administration from Creighton University, and earned an MBA in health care management from Johns Hopkins University.

To learn more about Matt, read the news release announcing his appointment [here](#).

## NEW BOARD MEMBERS AS OF JUNE 2022

Thank you for your participation in the HHP Board of Managers Election! We are pleased to announce that the following physicians have been elected/appointed to the Hawai'i Health Partners Board of Managers:

**Andras Bratincsak, MD –  
Specialist Physician Manager**

**Byron Izuka, MD –  
Specialist Physician Manager**

**Todd Miller, MD –  
Specialist Physician Manager**

**Gina French, MD –  
Appointed HPH Manager**

**Jenny Satterberg, MD –

These individuals assumed their role effective June 1, 2022. Please join us in congratulating all of them on their election/appointment.

We look forward to continuing our work toward our mission of creating a healthier Hawai'i under the leadership of our [Board of Managers](#).

# MOC Part 4 Credit

Thanks to the efforts of Dr. Lynn Iwamoto, HHP can help get you MOC Part 4 credit for participation in the QPP/SSP program! HHP maintains a portfolio sponsorship with the American Board of Medical Specialties for Part 4 Maintenance of Certification for the following boards:

- Anesthesiology
- Dermatology
- Emergency Medicine
- Family Medicine
- Internal Medicine
- Medical Genetics and Genomics
- Obstetrics and Gynecology
- Ophthalmology
- Otolaryngology – Head and Neck Surgery
- Pathology
- Pediatrics
- Physical Medicine and Rehabilitation
- Preventive Medicine
- Psychiatry and Neurology
- Radiology
- Surgery
- Thoracic Surgery
- Urology

Eligibility for credit is based on a projected provider performance  $\geq 50\%$  of the provider's total possible QPP/SSP points for 2022. HHP will be reaching out to providers who may qualify in September to complete attestation forms. So please start early and utilize the Dashboards to track your progress!

## HMO REFERRAL UPDATE

HHP Managed Care Services has recently discontinued the use of our HHP HMO Referral Request forms. All out-of-network referrals for HMSA HMO patients will be processed and reviewed within the Epic system:

- **EXTERNAL REFERRAL ORDERS:** Referrals will automatically fall into the HHP HMO External Referral Workqueue when an External Referral Order is placed for an HMSA HMO patient. An Epic in-basket message will be sent to the referring provider's office if the referral is identified as out-of-network.
- **EPIC IN-BASKET REQUEST:** Providers and clinic staff are able to submit requests for out-of-network utilization review to HHP Managed Care (pool) via In-basket message. Smartphrase **.HHPREFERRALREQUEST** should be utilized when submitting for review.

For more information on recent changes to the HHP HMO Referral Management Process, see the updated flyer [here](#).

# Central Support UPDATE

Central Support is now available to be utilized by all HHP PCPs on O’ahu and Kaua’i. These core member services include care coordination support, complex care management, managed care support for referral management and network resources, and the production and analysis of population health and quality performance data.

Central Support services was recently expanded to include our PCPs at the various Straub Medical Center and Kaua’i Medical Clinic primary care clinics.

Central Support continues to provide support for BH Referrals, DME Orders/Supplies and Network Access.

For more details and contact information, see the flyer [here](#).
